\# The PTX20 series batteries may be used as an optional upgrade, but some modification to the hold down may be necessary. See battery label for retrofit cautions.
† Must use factory activated battery.
* Must use adapter kit available from Buell.
< Requires use of Cover/Spacer Kit.
+ Eliminates need for sensor (needs to be disabled).
≈ This battery includes a sensor.
** When ordering this battery, specify sensor.
++ Must use existing terminal adapter.
